**Speedy Kids
Oval Program**

Offering speed skating opportunities to underserved communities in the Halifax Regional Municipality

*Join us at the oval on the
Halifax Common this winter!*

The Speedy Kids Oval Program Society

The Speedy Kids Oval Program Society was incorporated as a non-profit society in January 2012 for the purpose of ensuring that recreational and competitive speed skating opportunities are available to underserved communities in the HRM.

The Speedy Kids Oval Program Society is a member organization of Speed Skate Nova Scotia and Speed Skating Canada. Our board members, coaches, and officials are dedicated volunteers.

Our programs

After-school program: free speed skating lessons for children ages 5-12 who attend after-school programs in Halifax's north end

Club program: an affordable recreational and competitive speed skating club for HRM children and youth ages 6-17

Community program: speed skating sessions arranged for organizations that work with underserved groups in the HRM

DO YOU WANT TO BE A SPEED SKATER?

Coaching, speed skates, and protective equipment will be provided for you. All you need is the desire to learn, try hard, and have fun!
